The **HS11 Soapstone** is a compact up light built for precision. With a clean, minimal profile and durable brass body, it's made to disappear into the design while delivering targeted performance. Perfect for tight installs and subtle highlights, it's a no-fuss fixture that gets it done—quietly, cleanly, and reliably.

Recommended Accessories

Surface Mount

Made of solid brass, this mount is perfect for mounting the HS11 to surfaces where you can't install with a stake.

Eagle Claw Stake

Extra-stable stake with side wings for better grip in soft or sandy soil. Best for areas with loose or shifting ground.

Hex Lens

Reduces glare while maintaining beam integrity. Ideal for high-visibility areas like walkways, patios, and seating zones where visual comfort matters.

Extension Stems

Solid brass stems for added height or reach. Threads onto standard mounts and stakes.

Copper Crimp Connectors

Durable brass crimps for secure, permanent wire joins.

LV9500 or LV9000 Connectors

Waterproof snap connectors for fast, clean installs.

Recommended Lamp

Emery Allen MR8
