The **HS23 Slate** is a versatile down light built for elevation. Whether mounted high in trees or tucked under eaves, it delivers clean, controlled illumination from above—no glare, no guesswork. With solid brass construction and MR16 lamp compatibility, it's made to handle the elements and keep working night after night. Reliable, low-profile, and ready for whatever the install demands.

Recommended Accessories

Surface Mount

Made of solid brass, this mount is perfect for mounting the HS23 to surfaces where you can't install with a stake.

Copper Crimp Connectors

Durable brass crimps for secure, permanent wire joins.

LV9500 or LV9000 Connectors

Waterproof snap connectors for fast, clean installs.

Recommended Lamp

Emery Allen MR16
